

Rooted in quality, Driven by trust.

Tawreed is a leading B2B supply and trading company based in Egypt, specializing in serving the Food & Beverage (F&B) and hospitality sectors.

With a strong network of trusted partners and established contracts with major farms, we provide a reliable supply of high-quality agricultural products to meet the needs of businesses and hospitality operators.

Our portfolio includes a wide range of fresh produce and agricultural commodities, with key products such as citrus fruits, assorted fresh fruits, green beans, and legumes. In addition to our local supply operations, Tawreed is actively engaged in import and export activities, connecting quality Egyptian products with regional and international markets.

At Tawreed, we are committed to quality, reliability, and building long-term partnerships across every stage of the supply chain.

With a strong network of trusted partners and established contracts with major farms, we provide a reliable supply of high-quality agricultural products to meet the needs of businesses and hospitality operators
